

Mentor an Intern

Support & Inspire Local Youth

Mentor with Eastern Oregon WORKS and...

- Meet with the intern weekly or bi-weekly to help guide their career journey
- Help professionally develop eastern Oregon's youth
- Connect and engage students with the local business community through mentoring, training, and presentation (workshop) opportunities
- Help build up our community through authentic connection and leadership
- Support the development of youth career pathways expanding community and workforce capabilities

Mentors in the workplace, we need you. Connect with local youth and guide them on their career journeys.

Working together to attract and retain a new generation of talent to our local communities.
